## III. Reading comprehension

Half of the families in the United Kingdom have got a pet. There are dogs, cats, rabbits and exotic pets: spiders, lizards, tortoises and snakes! They are small and they aren't noisy!

The most popular pet is the cat. There are 7 million cats and 5 million dogs in Britain. A lot of people have got two or three cats! They hunt mice. Hamsters, budgerigars and guinea pigs are also popular pets.

Tommy has got two pets - a rabbit and a guinea pig. The rabbit is white and the guinea pig is orange.

Steve has got a North American corn snake. It's red and white and it's small. But when it's an adult, it's over a metre long. Its favourite food is mice.

Kate has got a spider. It's a tarantula. It's black with red knees. Kate feeds it on warms. It's a very beautiful pet!

Amanda has got two dogs and a lizard. They are very friendly. Her lizard eats 5 worms and some spiders every day. It's green and brown.

**21. ..... is a popular pet in the UK.**

☐ A) ☐ B)  ☐ C)  ☐ D)
