- C) the bravest
- D) the most brave

Living with a host family is one of the most important aspects of your time in Exeter. The following points will help to make your stay as comfortable as possible. People leave home in different times in the morning, so don't be surprised if there is no one at the breakfast table with you. Remember to take your packed lunch when you leave home – some sandwiches and a piece of fruit. You will also have mineral water. If there's something you don't like, please tell your host family. Dinner is the main meal of the day. Be on time. And remember to practise your English at the dinner table! You will usually spend evenings with the host family talking or watching TV. But if you have evening classes at school, always tell your family. After using the bathroom, leave it clean for the next person. English people usually have one bathroom, so be as quick as possible. Communication is the key to a successful stay with your family – ask questions and tell them about yourself.
