J.R.R. Tolkien was born in South Africa in 1892. He came to England when he was four. He went to Oxford University and fought in World War I. Later he became a professor at Oxford University. He wrote 'The Hobbits', 'The Lord of the Rings' and many other books which are still very popular today.

Agatha Christie was born in England, in 1890. She didn't go to school. Her mother taught her at home. Agatha Christie worked as a nurse and started writing detective novels in her spare time. She wrote twenty-five novels about Hercule Poirot, the Belgian detective, and she also wrote plays, including 'The Mousetrap'.

Beatrix Potter was born in London in 1866. As a child, she enjoyed family holidays in the Lake District. This was when she started to write about animals. She wrote her first stories about Peter Rabbit to cheer up a sick child. When she saw how much the child enjoyed the stories, she decided to publish them. They became very popular with children all over the world.

C.S. Lewis was born in Belfast, Northern Ireland in 1898. Lewis went away to school. After school he attended Oxford University. Later he became a teacher at both Oxford and Cambridge Universities. He wrote a lot of books, but most young people know 'The lion, the Witch and the Wardrobe'. This was the first in a series of books, called the 'Chronicles of Narnia', that children still love to read today. (From: V. Evans, N. O'Sullivan: 'Click on' Express Publishing)
