III. Reading comprehension

My name is Robert. During the week I don't have much free time. On weekdays I spend mornings and afternoons at school. What's more, on Monday and Wednesday I have football practice. On Tuesday and Friday, I have guitar lessons. On Thursdays I usually do projects for my school.

When the weekend comes I can do what I like. Saturday is my favourite day. I don't like a mess in my room so in the morning I usually do the cleaning. I always make my bed and vacuum the carpet. I water plants and take my dog for a walk. Then I go shopping with my mum. We usually buy food for the whole week so we have lots of bags with us. In the afternoon I visit my friends or invite them to my house. We listen to music, play games together. Once a month, we go to the cinema. I like having an evening out on Saturday. When I come back home I read books or watch TV.
