III. Reading comprehension

My name is Susan. Yesterday I was in my school library. I wanted to borrow some interesting books. I am a bookworm so I love reading. There were so many books on the shelf I didn't know what to choose so I asked for help. Mrs Smith, who is a librarian, showed me the newest books in the library. She told me to take some adventure or fantasy books. I decided to take three books about a young boy who travels around the world and has unforgettable adventures and one fantasy book about an alien from space. She also showed me a book about a princess and a witch but it was not for me, it reminded me of the book from my childhood. When I was a small kid, I often read fairy tales. I am not a small kid anymore.

Then Mrs Smith talked about the library. It was opened in 1921 so one hundred years ago. The place is so old.
